## TERMS AND CONDITIONS OF SALE

- 1 The purchaser acknowledges that all sales conducted by the auctioneer are on the basis of being “GST” exclusive, and as such a GST amount of 10% (or whatever prescribed amount is in force by legislation) will be added to the bid price. Further, the purchaser acknowledges and agrees that in the absence of advice to the contrary, that all bids by the purchaser will be deemed to be exclusive of GST and that GST will be added to the bid price of all lots.
- 2 **The purchaser acknowledges that at all sales conducted by the auctioneer, a buyer’s premium will be charged on the bid price.**
- 3 As soon as practicable after the fall of the hammer the Purchaser shall sign the agreement (if any) for sale.
- 4 The Purchaser shall be deemed to purchase as principal unless prior to the sale –
  - a) The purchaser shall have disclosed to the Auctioneer that he will be bidding on behalf of a principal and shall supply the full name and address of his principal; and
  - b) The purchaser has given to the auctioneer a copy of a written authority to bid for, or on behalf of, another person.
- 5 The Auctioneer and Vendor reserve the following rights which may be exercised by the Auctioneer without giving any reason therefore –
  - a) to withdraw any lots from the sale;
  - b) not to offer for sale part only of any lot described in the catalogue;
  - c) to offer two (2) or more of the lots described in the catalogue as separate lots for sale together, as one (1) lot;
  - d) should such lots referred to in c) of these Terms and Conditions not be knocked down at the online auction to a successful bidder, to offer such lots as separate lots;
  - e) to refuse to accept a bid or bids from any person or persons which in the opinion of the Auctioneer is not in the best interest of the Vendor;
  - f) to refuse admission to/or eject from the selling place any person or persons;
  - g) to refuse to accept any bid for a lot being less than a sum nominated from time to time by the Auctioneer;
  - h) to keep secret the existence and amount of the reserve price (if any) of a lot prior to the close of bidding or withdrawal from sale of the lot;
  - i) if the Purchaser shall successfully bid for more than one lot at the auction;
  - j) to appropriate any moneys received from that Purchaser in satisfaction or partial satisfaction of the purchase price (and any taxes, if applicable) due in respect of any one or more of such lots to the total or partial exclusion of amounts due in respect of any other such lot, or lots, as the Auctioneer shall see fit;
  - k) to elect at any time to treat each contract for the sale of each such lot as interdependent with each other such contract or contracts and default under any such contract shall be treated as default under all such contracts;
  - l) to bid on behalf of any vendor, prospective Purchaser or Purchaser’s with or without disclosure; and
  - m) if any lot is not sold at the auction to offer to sell same thereafter by private treaty but otherwise subject to these conditions.
- 6 The Vendor or any person on his behalf reserves the right to bid at the auction in respect to any lot. The Vendor acknowledges that for any successful bids he/she shall still be liable for the payment of any relevant commissions.

- 7 Any bidder shall give his full name and residential address at the time of registering to bid and when called upon to do so by the Auctioneer and –
- a) Prior to the end of the auction or at any time thereafter specified by the Auctioneer the Purchaser shall pay to the Auctioneer the full price for the lot, plus any GST, license fee or any other government charge applicable to the goods.
  - b) The Auctioneer at his discretion may require immediate payment or part payment for a lot.
  - c) The purchase price and, where applicable, any part payment thereof, and GST shall be paid in either cash, bank cheque, credit card or bank transfer
  - d) Any balance of the purchase price for a lot shall be paid to the Auctioneer no later than the expiration of the period during which the Purchaser is required by the conditions to take delivery of the lot and he shall not be entitled to require delivery until the purchase price and, where applicable, GST, license fee or government charge shall have been paid in full; and
  - e) Time shall be of the essence in relation to the interpretation and observance of these conditions.
- 8 On the fall of the hammer, the Auctioneer may require, and the Purchaser shall pay a deposit in cash of twenty five percent (25%) in part payment of the purchase price for the lots purchased by the Purchaser. In default, the lot or lots so purchased may at the absolute discretion of the Auctioneer be immediately re-offered for sale and re-sold.
- 9 No error in description or deficiency in quantity shall void the sale and the Purchaser shall be bound to take the delivery of the lot without any allowance or abatement in price. Any warranties which might otherwise be implied by the Sale of Goods Act, 1923, are hereby excluded and shall not apply. The Auctioneer and the Vendor make no warranties other than those implied by Common Law or by statute, the exclusion of which warranty would render this condition void or voidable, or which would constitute an offence by the auctioneer or the Vendor. Intending bidders must satisfy themselves by inspection or otherwise as to the nature of the lot or lots offered for sale and must accept same with all faults, patent or latent (if any). Furthermore, no warranty shall be implied from any affirmation made at the auction or otherwise but in all cases where an express warranty is intended, the same shall only be enforceable if reduced to writing and signed by the Vendor or by the Auctioneer as agent for the Vendor.
- 10 Each lot shall lie at the purchaser's risk from the fall of the hammer and neither the auctioneer nor the Vendor shall be accountable for any deficiency, damage or loss which may arise thereafter. The property in such lot shall not pass until payment in the approved manner as advertised at the auction in full of the purchase price and, where applicable, GST, buyers' premium, license fee or government charges.

- 11 No lot shall be removed during the sale without the consent of the auctioneer, but subject to condition 10 hereof, delivery is to be taken and the lot removed by the Purchaser with two (2) full working days of the day of the auction or such other period of time as may be specified by the Auctioneer at the time of sale and, in this respect, time is of the essence. Any removal shall be at the expense and risk of the Purchaser but, in such removal, the Purchaser shall do no damage, or shall forthwith make good any damage, which may be occasioned. Any lot or part thereof which the Purchaser does not remove may thereafter be removed by the Auctioneer or by some person, firm or company engaged by the Auctioneer or the Vendor and/or stored at the place at which the auction took place or elsewhere by the Auctioneer or by some other person, firm or company engaged by the Auctioneer. Such removal and/or storage shall be deemed to have been made by the Auctioneer at the request of the Purchaser and all costs incurred by the Auctioneer or the Vendor in relation thereto together with an amount of \$10.00 plus GST per lot per day (inc. weekends) penalty shall be immediately payable by the Purchaser to the Auctioneer and the Auctioneer may sue for and recover the same as liquidated damages.
- 12 In addition to the purchase price, the Purchaser shall pay to the Auctioneer a fee calculated at the rate of up to thirteen and a half per cent (13.5%) of the full purchase price excluding GST State or Federal taxes that may be applicable.
- 13 If the Purchaser shall default in the observance or performance of his obligation under these conditions or any one or more of the then any moneys which the Purchaser shall have paid to the Auctioneer shall be absolutely forfeited and, without notice to the Purchaser, such lot or lots may be re-sold either by public auction or private contract and upon such terms and conditions as either the Auctioneer or the Vendor shall deem fit at the risk and expense of the Purchaser who shall be liable for any deficiency together with all expenses of removal, commission, warehousing and other charges arising out of such default and the Auctioneer or the Vendor shall be entitled to recover same as and for liquidated damages. Without limiting the generality of the foregoing, the Auctioneer shall be entitled to recover from the purchaser -
- a) the amount of any commission upon the purchase which the Purchaser did not complete, the commission being determined by the agreement between the parties;
  - b) such sum for expenses and charges incurred by the Auctioneer in connection with or incidental to the auction and in respect of any such re-sale; and
  - c) where applicable, any GST, value added tax or any other tax relating to or arising from the sale of the property or any part thereof of the Vendor.
- 14 Furthermore, the purchaser shall take or cause to be taken all reasonable and proper steps as far as is reasonably practicable to ensure that, the lot or lots purchased shall be safe and without risks to health when properly used.
- 15 In these Conditions the word "Auctioneer" means Hymans Asset Management Pty Limited or any member of the Hymans Group (as determined by the originating office) except that where the context so permits it shall include the persons conducting the auction on behalf of Hymans Asset Management Pty Limited.
- 16 In these Terms and Conditions, the word "Purchaser" refers to the registered bidder.
